Wat zie (hoor) je in de markt?

An illustration on a blue background showing a person in a red jacket and dark pants pushing a large white needle on a semi-circular gauge. The gauge has tick marks and colored segments (green, yellow, orange, red) along its arc. A white arrow points upwards from the needle's base, and a curved arrow indicates the needle's path. A semi-transparent box with a purple border contains the text "(Keep) Moving the needle".

Valkuilen!

The image shows two boxing gloves, one white and one brown, resting on a dark, textured surface. The gloves are positioned in the center of the frame, with the white glove on the left and the brown glove on the right. A semi-transparent white rectangular box is overlaid on the gloves, containing the text "Wetenschap vs Business pragmatisme".
